Class Descriptions:

Please refer to the AAC Official Rulebook for full class descriptions.

Regular Class: This class is open to all dogs.

Specials Class: The Special category is open to all dogs that will benefit from jumping a lower jump height, at the handler's discretion. Handlers running a dog in the Special category will have the option to move into the Regular category once during the dog's career but cannot be made mid-trial.

Veterans Classes (Single & Double Drop): The Veteran category is for dogs seven years of age or older. This category is also open to dogs five years of age or older who have been competing in the Special category for a minimum of twelve consecutive months immediately preceding the move to the Veteran category. A dog may no longer compete in the Regular or Special categories once entered at an official trial in the Veteran category.

FEO Rules: Same fee as performance dogs. An FEO dog shall be permitted to run at their registered height or any jump height above or below, at any performance level and at any class level.

Accommodations:

The following are some establishments in and near Saskatoon that will accept guests with dogs. Please help ensure that we have continued acceptance, by keeping your dogs under control and cleaning up after them at all times. Dogs should not be left unattended in the rooms.
